Dear Parents and Carers

I'm sure you have all heard the words 'unprecedented times' and it is a very surreal situation that we all find ourselves in.

As a school we are still thinking about our pupils and their families as our lives are having to be lived in such a different way. School is a huge part of our lives, for some it leaves a big gap from routine and community socialising.

There may be some of you that don't have extended families or friends to reach out to. Please don't feel isolated. We are still here for our families and although we have social media, many of you use our school face book for communicating you can still continue to contact us. You can email, text or request a phone call even if it's just to let us know how you are doing or if you need support.

We hope you are all okay, stay safe everyone.

Best wishes  
From all the Staff
