

21st APRIL 2021

Quote of the week:

'When someone is taught the joy of learning, it becomes a life-long process that never stops, a process that creates a logical individual. That is the challenge and joy of teaching.'

Marva Collins

Dear All,

I hope that you and your families are well. Firstly, I would like to thank you for the wonderful warm welcome that you have shown me. This is a great community with everyone pulling together in the same direction.

Parent Survey

On Monday 19th April, I shared the link to the parent survey. We have already had a really good response with more than 50 completed surveys. I would like everyone to provide us with feedback so please follow the link and have your say. The link will be closed on Friday at 7pm; we appreciate your input.

I will share the outcomes with you next week.

Swimming

Having a pool on site is incredible and we are delighted that swimming lessons have begun this week. It is so important that your child becomes water confident and learns to swim therefore it is our expectation that all children participate when their turn comes. Newton and Hawking will start swimming lessons after half term, more details will follow.

Current Schedule:

Churchill - Mondays

Scott - Wednesdays

Pankhurst - Fridays

Please be reminded that children do need to wear a swimming hat although goggles are optional.

Have a wonderful rest of your week – Mr. Bragg - Headteacher

Attendance Matters!

Congratulations to **Hawking** class for an astonishing 98.7% attendance in Week 1. We have **188 children** who have still got 100% attendance for this term, I wonder who can keep this up all the way until half term?
