

Term 3 Week 5 - 17th May 2021

Quote of the week:

“At His Ascension our Lord entered Heaven, and He keeps the door open for humanity to enter.”

Dear All,

It's amazing what can be achieved when we all work together and this week, we have been reminded of that in abundance here at Southminster Church of England Primary School. Our dedicated staff team have worked tirelessly in order to find solution after solution in order to make the introduction of our new Attenborough class, a reality. I am delighted to report that as a result of all this creativity and hard work, Mrs Puxley and her team of Year 3&4 children will be starting their new adventure together from Monday 17th May! Congratulations for a job well done. We offer our prayers of thanks for the gift of such a compassionate staff team and we pray that Mrs Puxley and her children get off to a wonderful start next week.

This week, we celebrate Jesus' Ascension into Heaven. This is an extremely significant event where Jesus' followers witnessed him ascending, leaving no doubt that he is very much alive with the father in Heaven and no longer limited to living on earth. Jesus reassured those present, that in departing, he would send God unto us. Indeed, our lit candles during Collective Worship here in school, remind us that God is with us. The holy spirit fills our school as we work together in his name in caring for our wonderful children and working together in order to be the best that we can be.

Thank you for meeting with our teaching team this week in your parent teacher conferences. Despite being online and not in person, I'm sure that you all managed to have productive discussion about your children's recent progress and future needs.

Have a wonderful rest of your week – Mr. Bragg – Headteacher
